INFORMATION SECURITY CERTIFICATION

We are pleased to inform that in Rendón & Asociados we have the **ISO/IEC 27001:2022** certification, which endorses our commitment to maintain a secure information environment, protecting the Confidentiality, Integrity and Availability of our own and our clients' data.

If you would like to obtain more details about our Information Security Policy, we invite you to contact us through our email info@rendonyasociados.com.mx. We will be available to answer any related questions and provide the necessary information to ensure transparency and trust in our services.
